Trash Pickup

Residential trash service is a breeze with CARDS. We'll provide you with a new cart to use. All you need to do is bag your trash, place it into your CARDS cart, and set the cart out on trash day. Our 96-gallon carts hold about 6-7 kitchen bags of trash - plenty for most households, but you can subscribe to additional carts if you need them.

Service is weekly - except in the case of inclement weather. You will be notified of any changes to the schedule via robocall and social media posts.

Commercial Waste Service

CARDS takes pride in partnering with local businesses to assist in making sure your business waste is disposed of responsibly. We offer a variety of dumpster sizes. Call or email us today to check our availability and pricing.

How do I rent a dumpster or roll-off container?

CARDS offers temporary roll-off dumpster containers that are the perfect solution for your next big project. Whether you are remodeling your home or conducting a major home clean-out, we offer several different sizes to meet your needs. To reserve one, visit cardsrecycling.com/roll-off-containers/ or request one via email at cityoflincoln@cardsrecycling.com.
